Regarding the Moratorium and Consent Order

The city's water pollution control plant has reached its wastewater flow capacity, and as such the city has been put under a consent order by the Georgia EPD. This means that the city must take measures to reduce the wastewater flow at the pollution plant. The city is currently underway with a sewer rehab project in basin 1 and 2, as well as plant upgrades. Although the city is taking these measures, we cannot add any more flow to the plant. This means that the city cannot approve any new building permits for homes or home additions that will increase flow to the plant. As the flow decreases due to the sewer rehab and plant upgrades, new permits can be added with the permission of the Georgia EPD.

Employee Appreciation Day 2022

It's been a busy few weeks here in our little town! Thanks to our wonderful Department Heads our city employees were able to enjoy a bit of much needed relaxation. We are incredibly appreciative of all their hard work!

Notice of Hydrant-Flushing

The City of Pembroke takes great pride in providing safe drinking water for its citizens and visitors. We have been working diligently to address instances of discolored and murky water. Our next step is a city-wide hydrant flush throughout the month of March to remove sediments and clear up discoloration.

During the flushing process, things typically get a little worse before they get a lot better.

If you experience discoloration or sediment in your water, do not be alarmed as it will clear after a minute or two of running. We suggest you run the cold water from the faucet (or better yet outdoor spigot) closest to the meter. On days when your block or neighborhood is flushing, do not wash white or light-colored clothes.

Please know that your water is safe for all intended purposes and slightly higher amounts of chlorine are added during this time.

We also use this opportunity to evaluate and inspect each hydrant to ensure operation in the event of a fire so you will see fire crews moving with the water department.

Have questions about this procedure? Please call City Hall at (912)653-4413 between the hours of 8:30am and 5:00pm.

Thank you for your cooperation!

Welcome, to our new Assistant Utility Clerk/DDA!

The City of Pembroke is pleased to announce the addition of Larisha "Lari" Hucks as the Assistant Utility Clerk effective March 9th, 2022. Ms.

Hucks is originally from Milwaukee, WI and has been a resident of Pembroke since 2019. Lari is a graduate of Milwaukee Area Technical College with a degree in Liberal Arts. She will be working closely with the DDA assisting with community projects and events. We're excited to have her as a part of our team!

Welcome to the Team!
